

Customers Love Gutter Edge!

"I know and VALUE good products! Gutter Edge uses rigid PVC and withstands all weather. Their guarantee alone is quite a hefty one, and that's what sold me on the product. Now, seeing it in action is what keeps me selling it to my clients."

*Tim Koshberger
Contractor - Allenwood, PA*

"Well, 7 months after we replaced our gutters there were stripes all over them! I called Gutter Edge and not only did they install their wonderful product, but they cleaned & washed out my gutters too! Now it's 15 months later & I'm not living with anymore stripes!"

*Rich Golden
Pensacola, FL*

"I wish I knew about this sooner! Not only could I have saved my labor time of routine gutter cleaning, but quite frankly, I could have saved myself some money because I bought a competitor product first. Gutter Edge is no hype, it does exactly what it says - and worth it!"

*Joseph Marcosner
Arlington, TN*

"We've always installed gutters, but we confidently love adding Gutter Edge because we know our [clients'] beautiful gutters will stay that way. And that will give us more client referrals in the future!"

*Dan Hershey
Contractor - Lexington, KY*
