Solutions

At **inNumbers**, we offer a full spectrum of Integrated Accounting Solutions to fit your businesses' unique needs, vision and goals.

- ▶ **Bookkeeping & Management Accounting**
- ▶ **Financial Accounting**
- ▶ **Personal & Corporate Tax Advisory**
- ▶ **External CFO/Controller Services**

We do so much more than crunch numbers. You can always “**count**” on us to:

- ▶ Create a proactive plan that fits your unique business
- ▶ Work year-round to minimize your tax burden and save you money
- ▶ Give you the personal service you need to get the right advice
- ▶ Minimize your accounting fees and deliver lasting value
- ▶ Care about your long-term business success!

Our Promises

At **inNumbers**, everything we do is built around delivering measurable value, being dependable and accessible, and achieving your business goals in a cost effective and competent manner.

When you work with us, we promise:

- ▶ to be cost effective and deliver value
- ▶ to provide personal service
- ▶ to offer a full spectrum of solutions
- ▶ to be accessible and responsive
- ▶ to educate and avoid confusing “jargon”
- ▶ to be reliable and trustworthy
- ▶ to assure quality in everything we do
- ▶ to put our your Interests first

Our Clients Say...

// **inNumbers** provided us with clear, simple, and straightforward expert business, accounting and tax advice in a timely, courteous and relevant manner. They were honest, knowledgeable, very flexible and always available. //

- **Good Wrench Auto Centre Inc.**

// We would like to use this opportunity to express our gratitude for the amazing job **inNumbers** is doing for us. As a hi-tech company conducting business in several countries, our accounting issues are complex and we struggled to get a handle on them. You solved our problems, and the results of your work have been outstanding. We look forward to working with you for years! //
